

JUNE 2019

Hello All

Summer is here and we are looking forward to welcoming 8 school groups who will take part in history/science based workshops in June and July, along with a new team of enthusiastic volunteers who will be helping to deliver the workshops.

## NEWS

- STATION CLOCKS

Those of you who are regulars to the station may have noticed the absence of the vintage clocks on the walls in the Café and Booking Hall. Both clocks were taken away to have automatic mechanisms fitted so they would keep regular time. They have been returned and now have new visually authentic workings - so no excuses for missing your train!

- VICTORIAN GARDEN

We have commissioned local garden designer Jo Jemison to create a plan and planting scheme for the outside spaces at the station. Anyone interested in getting involved with planting or maintaining the garden areas should contact [heo@sevenoakstown.gov.uk](mailto:heo@sevenoakstown.gov.uk)

- VOUCHER PRESENTATION

Several young people and students took part in a survey about the new facilities at the station, with an incentive of one lucky person winning a £40 high street voucher in a prize draw. Student Hannah Laker, who attends Knole Academy, was the lucky winner and was presented with the voucher by the Mayor.

Hannah said, 'I think the new station building is lovely and I have enjoyed using the new facilities and I'm really excited to have won the voucher'.

All survey results are in the Evaluation Report – April 2019, available on the website [http://www.batandballstation.com/Evaluation\\_Report\\_-\\_April\\_2019\\_26072.aspx](http://www.batandballstation.com/Evaluation_Report_-_April_2019_26072.aspx)

- WELLBEING SHOW

Bat & Ball Station 'vintage' display created a lot of interest at the Wellbeing Show on 17<sup>th</sup> May. The show, which was attended by 150+ people, was an excellent opportunity to promote the station facilities and talk to people about volunteer opportunities and the benefits volunteering can have on your wellbeing.
